Subject : Engaging Professionals in the Organistion of MECOFED With Financial Assistance from NCDC.

Reference : 1. Letter MSFN.32/2005/63 dated 11.7.2006.
2. MCP. 3/2006/47/3995 dated 28.9.2006.

Sir,

Referring to the letters and subject matter mentioned above the project report on the revitalization and re-structuring of MECOFED is under an active preparation by NABCONS as approved by the State Govt.

In this connection it is perhaps noteworthy and imperative to mention that in order to make the restructuring worthwhile for what the Govt. is trying in assisting MECOFED in the long run, expert professionals are required to manage the business activities of MECOFED and to make it a profit oriented business organization and to enable it to stand on it's own footing.

Although there are experience man-power in MECOFED, professionalism is somewhat lacking whereby the guidance of the professionals is very much essential and necessary.

The NCDC under the Restructure Central Sector Scheme for the development of Cooperative in the 10th Plan launched a Scheme known as Establishment of Technical and Promotional Cells in Cooperative Federation in the under-developed and least developed States.

The NCDC Scheme speaks of the following posts of professionals whose services can be inducted in the running of the Federation :-

v) Unless the sanctioned posts are **filled up within a period of 6 months** from the date of sanction of the post by NCDC, the sanction for that particular post/posts will lapse. Assistance will be admissible from the date of sanction of the post by NCDC or the date of appointment of the expert whichever is later.
