MENDIPATHAR MULTIPURPOSE COOPERATIVE SOCIETY LTD.

Mendipathar situated in East Garo Hills District and is 70km from the district head quarter Williamnagar. The people in this region are mostly farmers and their occupation is agriculture. Besides farming, they are also engaged in rubber plantation. Prior to the existence of this co-operative society the rubber products of the small farmers were exploited by the middlemen. With the registration of the Mendipathar Multipurpose Cooperative society in December 1998 vide Regd.NoW-2/98-99 the cooperative society started its activity with a temporary loan of Rs 5,000/- they started procuring rubber sheet from the farmers where the price offered by the society was higher than the prevailing market rate. The news spread to all the nearby farmers and so they came to sell their products to the cooperative society and from there onward the cooperative society has started progressing and never looked back.

Latest position of the cooperative society is:
